*“Car Class Signs” are signs that designate what class cars are participating in. For example: The sign for Class E – Pickup 1961 – 1979 will include ‘Sponsored by: Your Company or Your Logo’. There are 35 classes, so there are 35 signs available. Everyone looks at these signs to see what the Class is, so it’s great advertising promotion for you. NOTE: only Platinum & Gold sponsors are guaranteed to be the only sponsor on the sign. Silver level sponsors may be doubled or tripled on signs; a sponsor would need at least Gold to insure exclusivity.

- It is the responsibility of the sponsor to provide logos; ad buttons and any promotional text for website/printed materials and tshirts.
- Merchandise value needs to be calculated using your cost, not retail cost.
- We are also willing to accept “goodies” for giveaways as door prizes or goodie bag inserts.
- If you are looking to get your company name & products in front of 3,000 “Car Enthusiasts” and the General Public, plus 5,000 flyers & posters in distribution, a solid media campaign, website participation, PR and continuous Public Service Announcements, we make it easy and affordable for you with our Five levels of Sponsorships. Choose the level that best fit your needs.
- Platinum sponsors may ‘finance’ their contributions in 4 equal payments.
- We reserve the right to refuse any sponsor for any reason.
