About our Charity – Imagination Library through the Children & Youth Partnership for Dare County:

“Imagination Library has the potential to bring books into every home in our county and give all children the foundation they need to be successful in school. Our vision is that every month, children across Dare County will arrive home to find a new book, and a special time will be set aside for Mom or Dad to find a quiet place and read”

“Children & Youth Partnership for Dare County is a private, non-profit organization designed to provide programs and services to children and their families in Dare County. In 1997, the Partnership began administering North Carolina’s nationally recognized Smart Start Early Childhood program for Dare County, and today offers a variety of programs and resources to ensure the healthy development of all children from birth to five years of age.” Visit them on the web: www.DareKids.org
